

**POINT OF RETURN**  
AN INDUSTRY INITIATIVE

# BCMB INCENTIVES

Up to \$600 available in financial incentives for using a POR system to manage your container purchases from customers.

- \$500 for depots with volumes over 10 million\*
- \$300 for depots with volumes under 10 million\*
- \$100 for depots with internet connectivity
  
- \* based on 2011 volumes

# WHAT QUALIFIES

The POR must be able to:

- Calculate the customer purchase and produce an industry standard receipt for the customer. (If over 10 million containers it must also be able to electronically display the customer purchase to the customer)
  - Generate and print a completed R-bill.
  - Generate cash out and inventory control reports.
  - Send and receive updates via the internet when necessary.
- 

# WHAT DOES THE POR OFFER OUR INDUSTRY

Improved customer transparency  
and confidence

Improved efficiency

Improved communications

# COMMUNICATIONS HUB

Electronic R-bills  
Supply Requests  
Advertising
