

April 12, 2016

Attention Depot Operators and Staff,

RE: STOLEN MEGA-BAGS FROM CALGARY BUSINESS

Please be aware that over the past weekend (April 8-10, 2016) a Calgary recycling business was broken into and two black mega bags of mixed refundable beverage containers were stolen from the property.

While the contents within the mega bags are not easily differentiated from the average customer order, **please remain attentive to any unfamiliar patrons who arrive at your Depot with product in mega bags**. This should be a red flag to your staff.

Should you have reason to believe that this stolen product has arrived at your Depot, have the customer fill out the Container Validation Request (CVR) form (attached), do not pay for these containers, and contact the BCMB immediately at 1-888-424-7671.

Regards,

Lauren Moran
