

BEVERAGE CONTAINER MANAGEMENT BOARD

March 23, 2016

## **NOTICE TO ALL DEPOTS: OUT OF PROVINCE BOTTLES IN LETHBRIDGE**

### **Attention depot operators and staff,**

Today, March 23, 2016, the BCMB was notified by a Depot in the Nanton area of a male and female customer driving a white Dodge Ram, **BC Plate (HT - 8566)**. The couple had around 25 clear bags, with around 70 containers per bag (pre-counted and mixed), and confirmed the containers were from BC. The couple refused to fill out and sign the CVR form and left the depot with the product when asked to fill one out.

Please be aware that these containers could be brought into your depot in the near future (especially if you are in close proximity/ Nanton area). If you suspect that these containers have arrived at your depot, have the individual fill out the Container Validation Request (CVR) form (attached) and **do not pay for these containers**. Please quarantine the containers at your depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to document how many bags were left and provide the customer with the BCMB phone number so he knows who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product they may do so but please make note of the encounter and notify the BCMB.

Please contact me if you have any questions.
