NOTICE TO ALL DEPOTS: CRUSHED CONTAINERS IN EDMONTON

Attention Depot operators and staff,

The BCMB was notified by an Edmonton Depot of a Caucasian male customer driving a **blue GMC truck pulling a U-Haul trailer** (no plate number obtained), attempting to return a large quantity of “crushed containers”. The customer did not bring the containers into the Depot so they are not sure what material type the containers are. The customer requested that the Depot to pay \$1700 for the containers without counting the product. The individual refused to fill out and sign the Container Validation Request (CVR) form and left the Depot with the product.

Please be aware that these containers could be brought into your Depot in the near future (especially if you are in close proximity/Edmonton area). If you suspect that these containers have arrived at your Depot, have the individual fill out the CVR form (attached) and **do not pay for these containers**. Please quarantine the containers at your Depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to document how many bags were left and provide the customer with the BCMB phone number so he knows who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product they may do so but please make note of the encounter and notify the BCMB.

Please contact me if you have any questions.
