

BEVERAGE CONTAINER MANAGEMENT BOARD

September 30, 2016

NOTICE TO ALL DEPOTS: UNLABELED, DEFECTIVE, OVER LITRE PET IN EDMONTON

Attention depot operators and staff,

The BCMB was notified today, Friday, September 30th 2016 by an Edmonton Depot, of a male customer driving a **burgundy Nissan Maxima Alberta Plate BNP 1172** attempting to return a **carload of Over 1 Litre Clear PET containers. These containers were without labels, and some were deformed.** The customer refused to complete the CVR, and left with the containers, stating that he would take them to another Depot.

The nearest Depots have already been contacted by the BCMB by telephone, but please be aware that these containers could be brought into your depot in the near future (especially if you operate an Edmonton Depot). If you suspect that these containers have arrived at your depot, have the individual fill out the Container Validation Request (CVR) form (attached) and **do not pay for these containers.** Please quarantine the containers at your depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to document how many bags were left and provide the customer with the BCMB phone number so he knows who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product they may do so but please make note of the encounter and notify the BCMB.

Please contact me directly if you have any questions.
