NOTICE TO ALL DEPOTS: MORNING MIST CONTAINERS

Attention Depot operators and staff,

The BCMB was notified by a **Lethbridge Depot** of a customer trying to return 4 or 5 garbage bags full with approximately 25 to 30 4L Morning Mist containers in each bag.

These containers are not registered. The customer was upfront about returning these containers to depots before and receiving a deposit for them.

If these containers do show up at any Alberta depot, please have the customer complete a CVR form and send images of the containers to the BCMB. Do not provide a refund to the customer and if able, explain to them why you cannot accept them at your depot. Should they agree to leave the containers behind, mark them as non-deposit and notify the BCMB prior to shipping to ABCRC.

If the customers remain unwilling to fill out the form and leave with the product, make note of the encounter and notify the BCMB immediately.
