

BEVERAGE CONTAINER MANAGEMENT BOARD

June 15, 2017

Attention Depot operators and staff,

RE: CONGRATULATIONS TO DEPOT WINNER

The BCMB would like to congratulate the following Alberta Depot as the winner of a \$50.00 pizza party for the image draw entries for the month of May:

- Roper Bottle Depot

We would like to say thank you to all Alberta Depots who participated in sending images to the BCMB, helping to improve and update our Registration Portal.

Depots will continue to receive one draw entry for every registered product with images sent to the BCMB. Images including front and back (UPC) of the container can be submitted through the Quality Monitoring Tool. (The best images are where the information is clear and legible).

Depots will also receive one draw entry for every unregistered product with images sent to the BCMB. Unregistered containers can also be submitted through the Quality Monitoring Tool showing the front and back (UPC) of the container. (The best images are where the information is clear and legible).

Also, the BCMB would like to highlight some of the unregistered containers identified in Depot submissions through Quality Monitoring for your information:
