COLLECTION SERVICE PROVIDER OPERATING AGREEMENT

This Agreement made as of March 1, 2026

BETWEEN:

Beverage Container Management Board,
a society incorporated under the laws of Alberta
(the "BCMB")

- and -

Alberta Beer Container Corporation,
a corporation incorporated under the laws of Alberta
(the "ABCC")

The recitals of this Agreement are as follows:

- A. The BCMB regulates the beverage container system of Alberta pursuant to the Regulation;
- B. The Regulation provides that Manufacturers shall use a Collection Service Provider for recovery and recycling of empty refillable Containers from Depots and that Manufacturers shall appoint a Collection Service Provider;
- C. The Collection Service Provider (CSP) appointed to act on behalf of a Manufacturer must be satisfactory to the BCMB;
- D. The ABCC and the ABDA have entered into, and the BCMB has approved, a Service Agreement which outlines certain duties and obligations owed by the ABCC to Depots and owed by Depots to the ABCC in relation to the collection and payment of certain refillable containers;
- E. The By-laws require that an agreement be entered into between the BCMB and the ABCC with respect to the operation of the Collection Service;
- F. As required by the CSP By-law, the BCMB and the ABCC entered into an operating agreement dated as of September 30, 2019; and
- G. The BCMB and the ABCC wish to enter into this Agreement in accordance with the CSP By-law to evaluate the ABCC in relation to established performance standards.

ARTICLE 1 - INTERPRETATION

1.1 Definitions

Whenever used in this Agreement, the following words and terms shall mean:

- 1.1.1 "Act" means the *Environmental Protection and Enhancement Act* (Alberta).
- 1.1.2 "ABCC" means the Alberta Beer Container Corporation or its agents and subcontractor(s)
- 1.1.3 "ABDA" means the Alberta Bottle Depot Association.
- 1.1.4 "Agreement" means this Operating Agreement, including all schedules.
- 1.1.5 "BCMB" means the Beverage Container Management Board. The BCMB is a management board within the meaning of the Environmental Protection and Enhancement Act (Alberta) whose mandate is to regulate and enhance a leading beverage container system that protects Alberta's environment.
- 1.1.6 "By-laws" means by-laws made by the BCMB in accordance with the Regulation.
- 1.1.7 "Collection Service Provider" or "CSP" means a manufacturer that collects empty refillable Registered Containers that contained a beverage manufactured by that manufacturer or a person contracted by a manufacturer to collect empty refillable Registered Containers that contained a beverage manufactured by that manufacturer.
- 1.1.8 "Common Collection System" shall have the meaning ascribed to such term under BCMB's Collection Service Provider (CSP) By-law.
- 1.1.9 "Compliance Fee" means a charge levied by the BCMB to the ABCC for costs associated with monitoring deficiencies related to this Agreement not covered in other fees.
- 1.1.10 "Container" means a bottle, can, plastic cup or paperboard carton or a package made of metal, plastic, paper, glass or other material, or a combination of them, that contains or has contained a beverage.
- 1.1.11 "Depot" means a place operated as a business for the collection of empty Containers.
- 1.1.12 "Manufacturer" means a person who manufactures a beverage and includes:
 - 1.1.12.1 a person who carries on the business of filling containers with a beverage;
 - 1.1.12.2 a person who imports a beverage in a container into Alberta for the purpose of distribution or sale in Alberta.
- 1.1.13 "Material Stream" means each category of container for which a specific handling commission is payable as identified in the By-laws.

- 1.1.14 "Permit Holder" means an individual or corporate entity named on a Permit.
- 1.1.15 "Processing Facilities" means the facilities used by the ABCC to conduct the business of collection and distribution of Containers.

- 1.1.17 "Service Agreement" means an agreement entered into between the Alberta Bottle Depot Association and a Collection System Agent or Collection Service Provider, prescribing the manner and frequency of Container collections, the manner and frequency of payments and other matters related to the efficient operation of the beverage container system.

1.2 References

In this Agreement except where expressly otherwise provided or where the context otherwise requires:

- 1.2.1 words in the singular include the plural and vice versa and words importing any one of the masculine, feminine or neuter genders include the other genders;
- 1.2.2 a reference to a statute or regulation or a provision thereof means the statute or regulation or provision as amended or superseded from time to time;
- 1.2.3 unless otherwise provided a reference to dollars or amounts of money means lawful money of Canada; and
- 1.2.4 a reference to an article, section, subsection number or schedule shall, unless otherwise stated, be a reference to an article, section, subsection or schedule of this Agreement.

1.3 Headings and Table of Contents

This Agreement is provided with a table of contents and headings and is divided into sections and subsections for convenience of reference only and such shall not affect its construction or interpretation.

1.4 Governing Law

This Agreement shall be interpreted and governed by the laws in force in the Province of Alberta from time to time and any proceedings in respect of it shall be brought and carried on before the courts of the Province of Alberta and all parties attorn irrevocably to the exclusive jurisdiction of such courts.

1.5 Meaning of Expressions

"Herein", "hereof" or "hereunder" and similar expressions when used in a section shall be construed as referring to the whole Agreement and not that section only.

1.6 Intent

Recognizing that there is mutual benefit in having CSP performance standards, evaluating the ABCC against those performance standards and continually improving the efficiency and effectiveness of the

Common Collection System, and the level of service offered to Albertans through the beverage container system of Alberta as a whole, it is the intent of this Agreement to:

- 1.6.1 capture the individual roles and responsibilities of the BCMB and the ABCC with respect to the Common Collection System;
- 1.6.2 evaluate the ABCC against established performance standards; and
- 1.6.3 continuously review and improve performance standards for the ABCC.

1.7 Schedules

The following schedules are attached to and form part of this Agreement:

Schedule "A"	Fees
Schedule "B"	Reporting and Record Keeping
Schedule "C"	Evaluation against Performance Standards

ARTICLE 2 - NATURE OF RELATIONSHIP

2.1 Work Cooperatively and Collaboratively

The ABCC and the BCMB will work together cooperatively and collaboratively to promote, encourage and foster continual improvements in the recovery of the manufacturer's empty refillable registered containers from all depots and retailers accepting such containers or use the common collection system for the recovery of those containers.

2.2 Confirmation of the CSP

The BCMB hereby confirms that, as of the date of this Agreement, that Alberta Beer Container Corporation is satisfactory to the BCMB as the Collection Service Provider appointed by the Manufacturers.

2.3 No Partnership

Nothing in this Agreement or in the relationship of the ABCC and the BCMB shall be construed as in any sense creating a partnership among the parties or as giving to any party any of the rights or subjecting any party to any of the creditors of another party.

2.4 Confidentiality

Certain information within the System is critical to the competitive positions of Manufacturers and Permit Holders and must be kept confidential. Therefore:

- 2.4.1 where the BCMB acquires information referred to in section 17(1) of the Regulation and the information related to a trade secret, process or technique that the Permit Holder, the ABCC or Manufacturers otherwise keeps confidential, the BCMB shall take all reasonable steps to ensure that the information is not used or released in a form or manner that is likely to undermine the confidentiality of the information;

- 2.4.2 all financial information and information concerning Container volumes of individual Depots shall be kept confidential by the ABCC and the BCMB without the prior consent of the Permit Holder; and
- 2.4.3 The ABCC and the BCMB shall keep as confidential all trade secrets, processes or techniques that it learns as a result of its position within the Collection Service.

ARTICLE 3 - ROLE OF THE BCMB

3.1 Industry Governance

In conjunction with the powers and duties conferred or imposed upon it by the Regulation, the BCMB shall, without limiting the breadth of its activities and obligations outside of this Agreement:

- 3.1.1 establish By-laws in accordance with article 18 of the Regulation;
- 3.1.2 approve the Collection Service Provider appointed by Manufacturers if satisfactory to the BCMB;
- 3.1.3 maintain a registry of Containers;
- 3.1.4 monitor, inspect and evaluate the performance of the ABCC in accordance with the By-laws and this Agreement;
- 3.1.5 notify the ABCC of the issuance, cancellation or modification to permits issued to Permit Holders;
- 3.1.6 work cooperatively and collaboratively with the ABCC to continuously review and improve performance standards for the ABCC; and
- 3.1.7 administer the QMS.

3.2 Industry Leadership

As an industry participant and leader, the BCMB shall:

- 1.1.1 focus the industry on continuously increasing collection rates and recycling rates;
- 1.1.2 Make the ABCC aware of strategic priorities and initiatives, identifying collaborative efforts and required industry involvement;

- 1.1.3 provide the ABCC with a copy of its annual business plan, once it has been approved by the Minister of Environment and Protected Areas;
- 1.1.4 where appropriate, invite the ABCC to participate in industry or BCMB committees; and
- 1.1.5 participate with the ABCC in the collection of information relating to the Collection System and the compliance of the ABCC with the Regulation or use the Common Collection System as defined in the CSP By-Law for the collection of refillable containers.

ARTICLE 4 - ROLE OF THE ABCC

4.1 Regulatory Compliance

The ABCC shall:

- 4.1.1 appoint a Collection Service Provider;
- 4.1.2 submit a binding and valid agreement between the ABCC and the Manufacturers;
- 4.1.3 comply with the provisions of the Regulation, By-laws, this Agreement and the Service Agreement;
- 4.1.4 focus on continuously increasing return rates and recycling rates;
- 4.1.5 collect Containers from Depots in accordance with the Regulation, By-laws, Service Agreement and this Agreement;
- 4.1.6 on collecting Containers from a Depot, cause Containers to be reused or recycled in a manner approved by the BCMB;
- 4.1.7 in accordance with the Regulation and the By-laws, provide to the BCMB information pertaining to the sale and recovery of Containers subject to section 4.1.7;
- 4.1.8 remit Fees set out in Schedule "A";
- 4.1.9 maintain records and comply with the reporting requirements set out in Schedule "B";
- 4.1.10 operate the collection system in a manner that meets or exceeds the performance standards set out in Schedule "C";
- 4.1.11 submit a Service Agreement, with the concurrence of the ABDA, in compliance with the By-laws and this Agreement;
- 4.1.12 maintain and manage an amount of operating reserve sufficient to ensure adequate cash flow to fulfill its obligations to achieve operational and financial stability for the Collection Service responsible for the recovery of Containers;

- 4.1.13 amend the Service Agreement, with the concurrence of the ABDA, to incorporate new Material Streams registered with the BCMB or changes to existing Material Streams, or changes to the By-laws of the BCMB, as necessary; and
- 4.1.14 respond to requests from the BCMB for information within five (5) business days and if the information cannot be provided to the BCMB within five (5) business days, to provide it by a date agreed to by the parties, or if the ABCC is unable to take such action, to promptly advise of the reasons for such inability.

4.2 Access to Processing Facilities

The ABCC shall:

- 4.2.1 allow the BCMB access to its processing facilities during normal operating hours; and
- 4.2.2 consider any request by the BCMB to post signage in its facilities, which signage may be posted at the ABCC's discretion.

4.3 Payments

In compliance with its obligations under section 4.1 of this Agreement, the ABCC shall, reimburse and/or pay the Permit Holder such payments as may be necessary from time to time.

ARTICLE 5 - TERM

5.1 Terms and Termination

- 5.1.1 Except as otherwise provided in this Agreement, or as otherwise agreed by the ABCC and the BCMB in writing, the term of this Agreement shall commence on the effective date of this Agreement and shall continue until November 30, 2025.
- 5.1.2 If the BCMB rescinds the approval of the Collection Service Provider in accordance with the By-laws, this Agreement shall terminate on the effective date of such rescission.

5.2 Industry Performance Standards and Evaluation

- 5.2.1 During the term of this Agreement the BCMB shall evaluate the ABCC in accordance with the By-laws, the ABCC's contribution to the BCMB goals for the beverage container system of Alberta, the efficiency and effectiveness of the ABCC's operation of the Common Collection System and the ABCC's compliance with the Regulation, By-laws, Service Agreement and this Agreement. In particular, the ABCC shall be evaluated on the performance standards set out in Schedule "C" attached.

- 5.2.2 During the term of this Agreement, the ABCC and the BCMB may agree to improve performance standards and methods and criteria for evaluating the ABCC in relation to those performance standards.

5.3 Agreement Renewal

- 5.3.1 The ABCC and the BCMB shall negotiate in good faith an improved operating agreement to replace this Agreement 90 days prior to expiry.

ARTICLE 6 - DISPUTE RESOLUTION

6.1 Procedure

- 6.1.1 The ABCC and the BCMB shall use reasonable efforts to settle any and all disputes, differences, controversies, questions or claims arising out of or in any way related to this Agreement, or the negotiation, amendment, validity, interpretation, performance, existence, breach, violation or termination of this Agreement by following the steps outlined in this article 6:

6.1.1.1 The presidents of the ABCC and the BCMB shall work together to resolve all issues on a timely basis;

6.1.1.2 If the presidents are not able to agree upon a resolution within 30 days or such other time period as agreed upon by the presidents, the chair of each of the party's respective board of directors shall work to resolve the dispute; and

6.1.1.3 If the chairs are not able to agree upon a resolution within 30 days or such other time period as agreed upon by the chairs, and unless the parties otherwise agree to an alternative form of dispute resolution, the dispute will be determined by commencing the appropriate legal proceedings in the Court of King's Bench of Alberta.

ARTICLE 7 - GENERAL

7.2 Entire Agreement

This Agreement constitutes the entire agreement between the ABCC and the BCMB relating to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations and discussions, whether written or oral, of the parties, and there are no warranties, representations or other agreements among the parties in connection with the subject matter hereof except as specifically set forth herein.

7.3 Amendments

7.3.1 This Agreement may be altered or amended as follows:

7.3.1.1 By notice, either party may propose amendments to this Agreement.

7.3.1.2 Upon receipt of such notice, the ABCC and the BCMB shall negotiate in good faith toward an agreement regarding the proposed amendments, including any adjustments to other terms and conditions that arise directly or indirectly from the proposed amendments.

7.3.1.3 Upon agreement being reached by the parties, such amendment to this Agreement shall bind the parties to such amendment for the remainder of the existing term of this Agreement.

7.3.1.4 Any amendments to this Agreement formalized under this section 7.3 shall be incorporated into the renewal of this Agreement.

7.4 Remedies Not Exclusive

No remedy herein conferred upon any party is intended to be exclusive of any other remedy available to that party but each remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing by law or in equity or by statute.

7.5 Waiver

The waiver by any party of strict observance or performance of any term of this Agreement or of any breach of it on the part of any party shall not be held or deemed to be a waiver of any subsequent failure to observe or perform the same or any other term of this Agreement or of any breach thereof on the part of such party.

7.6 Severability

The determination that any provision of this Agreement is invalid or unenforceable shall not invalidate this Agreement, all of said provisions being inserted conditionally on their being considered legally valid, and this Agreement shall be construed and performed in all respects as if any invalid or unenforceable provisions are omitted provided the primary purpose of this Agreement is not thereby impeded.

7.7 Survival

Any sections of this Agreement, which expressly provide for, or by their nature require, survival after the expiration or termination of this Agreement, shall survive.

7.8 Enurement

This Agreement shall enure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.

7.9 Assignment

Except as expressly provided elsewhere in this Agreement, any rights or obligations of this Agreement are non-assignable by any party without the prior permission of the other party, such permission not to be unreasonably withheld.

7.10 Time

Time shall be of the essence in this Agreement.

SCHEDULE "C"

EVALUATION AGAINST PERFORMANCE STANDARDS

The BCMB shall evaluate in accordance with the By-laws the ABCC's contribution to the BCMB goals for the beverage container system of Alberta as set out in the BCMB Business Plan, the efficiency and effectiveness of the ABCC's operation of their collection system and the ABCC's compliance with the Regulation, By-laws, Service Agreement and this Agreement.

5. Accountability

5.1 The ABCC operates their collection system in compliance with the Act, Regulation, By-laws and this Agreement and demonstrates a focus on:

5.1.1 collaboration and cooperation; and

5.1.2 participation in the Quality Monitoring System.

5.2 The ABCC is in compliance with to the terms of the Service Agreement and any other agreement between the ABCC and the ABDA, in particular:

5.2.1 scheduling and loading;

5.2.2 shipping supplies;

5.2.3 payments; and

5.2.4 confidentiality.

5.3 The ABCC is in compliance with to the terms of this Agreement and in particular:

5.3.1 causes Containers to be reused and/or recycled in a manner approved by the BCMB; and

5.3.2 submits a Service Agreement, with the concurrence of the ABDA, in compliance with the By-laws.

5.4 The ABCC maintains records sufficient to, without limitation, provide monthly, annual and term reporting on key performance metrics as outlined in Schedule B of this Agreement.

6. Performance Standards

6.1 Transportation

6.1.1 Standard: Depots are provided dependable carrier pick up

- 6.1.2 Measure: No-show. A “No Show” is characterized as a transportation carrier failing to show up without any communication from the ABCC to the Depot notifying them of the cancellation at least one hour prior to the scheduled pick-up time.
 - 6.1.3 Compliance: Progressive enforcement action will be taken using the Compliance Framework
- 6.2 Shipping Containers
 - 6.2.1 Standard: Depots have adequate shipping supplies.
 - 6.2.2 Measure 1: Lack of supplies is demonstrated, and the ABCC fails to meet the standard when a Depot is required to close, or the Depot indicates that they need supplies urgently or else will be forced to close. The ABCC fails to meet the standard where the ABCC does not respond to the request before closure is within 24 hours as determined by dispute resolution.
 - 6.2.3 Measure 2: Lack of supplies is demonstrated, and the ABCC fails to meet the standard when a Depot is required to ship materials in incorrect shipping containers.
 - 6.2.4 Compliance: Progressive enforcement action will be taken using the Compliance Framework
- 6.3 Payment to Depot
 - 6.3.1 Standard: Depots get paid on time
 - 6.3.2 Measure: As defined within Service Agreement. The ABCC fails to meet the standard when payment to a Depot exceeds the agreed to maximum period.
 - 6.3.3 Compliance: Progressive enforcement action will be taken using the Compliance Framework
- 6.4 Operating Agreement
 - 6.4.1 Standard: The ABCC holds itself accountable to the performance and reporting requirements of this Agreement
 - 6.4.2 Measure: Performance against section 1 of this Schedule and Reporting against Schedule “B”
 - 6.4.3 Compliance: Compliance Framework
- 6.5 Use of QMS
 - 6.5.1 Standard: Depot Operator tickets are responded to and resolved in a timely manner. The ABCC is responsible to respond to QMS tickets and to achieve the below standards during ABCC operating hours during weekdays, Monday to

Friday. Statutory holidays are not included in the ABCC operating hours. The BCMB will identify in writing to the ABCC any emergent issues that occurred on weekends requiring ABCC attention for consideration of future resolution steps.

6.5.2 Measure: Response Time by QMS Service Level Agreements. The ABCC fails to meet the standard when response and resolution times exceed those agreed to.

6.5.3 Compliance: Based on monthly performance achieving the following standards:

- A. 100% compliance on first response time
- B. 95% compliance on resolution time for supplies tickets (24 hours)
- C. 80% compliance on next response times for all other tickets (24 hours)

7. Compliance Framework

7.1 A failure of the ABCC to meet the standards set out in sections 2.1, 2.2, 2.3 and 2.4 of this Schedule will result in progressive enforcement actions.

7.1.1 Each infraction will be exclusive by depot and type.

7.1.2 There are three enforcement levels applicable to these sections.

7.1.3 Where the ABCC fails to meet a standard in these sections, the BCMB shall notify the ABCC of the failure in the monthly CSP Evaluation report .

7.1.4 The ABCC will be given 10 days to rectify the problem following which, where the ABCC fails to meet the standard a second time, the BCMB shall notify the ABCC of the failure in the monthly CSP Evaluation report and the ABCC shall pay a Compliance Fee.

7.1.5 The ABCC will be given a further 10 days to rectify the problem following which, where the ABCC fails a third time to meet the standard the ABCC shall pay a Compliance Fee and ABCC Senior Management shall attend a meeting with the BCMB.

7.1.6 The ABCC may submit a request in writing to the BCMB to move down a Level in the Compliance Framework by demonstrating that procedures have been corrected in order to prevent another failure to meet the standard.

7.1.7 The ABCC may not request to move down a Level of a Compliance Framework until three (3) months has passed from the date of the notification in the monthly CSP Evaluation from the BCMB. This is to provide the ABCC with time to rectify the issue and to trial the improvements.

7.1.8 The ABCC may only request to move down a Level of a Compliance Framework if in Level 2 or higher.

- 7.1.9 An written request to the BCMB will move the ABCC down one Level of a Compliance Framework at a time and must include a description of the improvements made to rectify the failure.
 - 7.1.10 After receipt of a written request, the BCMB will monitor the situation for a subsequent three-month period. Part of the monitoring may include a check-in with the Depot on the specific issue to confirm that it has been resolved on their side. The BCMB will also review the QMS.
 - 7.1.11 Where the ABCC fails to meet the same standard during the three-month monitoring period, the ABCC's written request will be void and they will move up a Level in the Compliance Framework. A new written request will have to be made after the issue has been resolved and after three-months has passed (as per 3.1.7 above).
 - 7.1.12 Once the three-month monitoring period has passed without issue, the BCMB will move the ABCC down a Level of the Compliance Framework.
 - 7.1.13 On a per Depot, per Framework basis, if the ABCC remains compliant with the applicable standards after six months at Level 1, then the BCMB would automatically move the ABCC out of the Compliance Framework without requiring submission of a written request.
 - 7.2 Where the ABCC fails to meet a standard set out in section 2.5 the ABCC shall pay a Compliance Fee.
8. Compliance Fee
- 8.1 A Compliance Fee will be levied for each infraction identified within the compliance framework at level 2 and level 3.
 - 8.2 A Compliance Fee will be levied for each failure to achieve the agreed performance standard outlined in section 2.5 of this Schedule.
 - 8.3 The Compliance Fee is set in the Fee By-law.
