Attention depot operators and staff,

RE: BREWLOCK 20 LITRE PLASTIC ONE-WAY-KEG APPROVED FOR REGISTRATION IN ALBERTA

The Beverage Container Management Board would like to advise that a new beverage container, the BrewLock 20L plastic one-way-keg (pictured on page 2), has been approved for registration in Alberta in 20L volume. This registration is effective February 25, 2016.

Once beverages in the BrewLock 20L are registered in Alberta they are to be sorted in the “Plastic One-way Keg Over 1 Litre” sort (CRIS Code 4023). The handling commission for containers in this material sort is \$0.65. The deposit refund provided to the customer by the depot will be \$0.25 as the containers are over 1L in volume.

If you should have any questions, please contact the Beverage Container Management Board at 1-888-424-7671.
