Attention Depot Operators and Staff,

RE: COPA BEVERAGE CONTAINERS

The Beverage Container Management Board (BCMB) was notified that several Depots have been refusing to refund deposit on COPA 200mL plastic beverage containers (example pictured below).

These products are registered and should be accepted at all Alberta Depots accordingly. Please note that these containers may arrive at your Depot missing the lid and/or foil seal, however they are still to be accepted for refund. These containers are to be sorted in the “Plastics (Other) 0-1L” sort (CRIS Code 4606). Please ensure all employees are aware that these products are to be accepted.

If you have any questions, please contact the Beverage Container Management Board at 1-888-424-7671.
