

DEPOT NOTIFICATION RE: Airport Containers

Attention depot operators and staff,

This notice is to inform you of airport containers that are ending up at Alberta Depots (Images attached). These containers are not supposed to leave the airport, in accordance with policies established by the airport authorities, they are to be incinerated on location upon arrival of the aircraft. If a customer brings these containers to your depot, have them complete a CVR form and contact the BCMB promptly. Do not pay a deposit and do not ship these containers to ABCRC.

These containers are not available through retail purchase; therefore, it is not required that they are registered at this time.

The Beverage Container Recycling Regulation (BCRR) Section 11 (1) "No depot operator or retailer shall accept a container or provide a cash refund for a container that can reasonably be identified by the depot operator or retailer as having been transported into Alberta."
