ATTENTION DEPOT OPERATORS AND STAFF:

**Sysco Beverage Containers at Depots**

Please note that we have become aware that some Alberta bottle depots are mistakenly purchasing Sysco containers from customers that are not registered and giving customers deposits for those containers. The BCMB is currently working with the manufacturer to ensure all products are registered. Before a depot purchases any Sysco beverage container they are required to check to ensure that specific container is registered by checking our online Portal located at the following link: [portal.bcmb.ab.ca/product](http://portal.bcmb.ab.ca/product) or contacting the BCMB.

If you have any questions, please direct them to Melissa Malin at 780-424-3193 x221 or by email [mmalin@bcmb.ab.ca](mailto:mmalin@bcmb.ab.ca) .
