**Attention depot operators and staff,**

This notice is to inform you that Electrolyte Solutions (including examples such as: Life Brand Pediatric Electrolyte Oral Rehydration Therapy solution (pictures), Pedialyte, Hydrolyte Solution, etc.) are not part of the Alberta deposit system and do not bear deposits. These containers are not considered ready-to-serve beverages. These Electrolyte Solutions have dose recommendations and should be used on the advice of a physician and are not intended to be consumed as a beverage.

If customers bring these containers to your Depot please inform them they are not registered and a refund cannot be provided as a deposit was not paid initially. If they insist they paid a CRF and Deposit, please have them complete a CVR form and submit it through the Quality Monitoring Tool so the BCMB can investigate. Do not pay a deposit and do not ship these containers to ABCRC.

If you have any questions or comments, please forward them to the Beverage Container Management Board (BCMB) at 780-424-3193 or 1-888-424-7671.
