RE: **Out of Province Containers**

Attention Depot Operators and Staff,

The Beverage Container Management Board (BCMB) received notification from a Lethbridge Depot that **2 males** attempted to bring in a **large load of out of province material**. They had a **Wrangler trailer** full of containers with **BC license plate UNK 19B** and were driving an **older, blue Chevy truck with BC plate MC 5725**. One man is between 30-40 with a dark beard and the other was younger, in his mid-twenties. When asked where the containers were from, they admitted that they were from British Columbia. The customers were asked to complete a Container Validation Request (CVR) form but refused to do so and left with the containers.

Please be aware that these containers could be brought into your Depot in the near future (especially if you are in close proximity to the Lethbridge area). If you suspect that these containers have arrived at your Depot, request that the individual fill out the CVR form and do not pay for these containers. Please quarantine the containers at your Depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product they may do so but please make note of the encounter and notify the BCMB.

Please contact me if you have any questions.

Michelle Winmill
