RE: **Beverage Container Registration Database Updates: New Tabs**

The BCMB has updated the Beverage Container Registration Database (BCMB Portal). The original Unregistered Tab has been separated into two new tabs: a Pending Containers tab and a Rejected Containers tab.

We are hoping that the separation of the tabs makes it more clear which containers are not registered and should not be accepted for a refund of the deposit (Rejected Containers tab) and which containers the BCMB is aware of and are investigating to determine possible registration (Pending Containers tab).

Additionally, the BCMB has renamed the Product Search tab to the Approved Containers tab.

Please see the attached screenshot below of the BCMB Portal which highlights the revised BCMB Portal tabs:

All three of the tabs (Approved Containers, Pending Containers and Rejected Containers) have the same search options and advanced search options. Alberta Depots do not need to login to view beverage containers on any of the tabs. Below are the links to each tab:

- Approved Containers tab: <https://portal.bcmb.ab.ca/Product>
- Pending Containers tab: <https://portal.bcmb.ab.ca/UnregisteredProduct>
- Rejected Containers tab: https://portal.bcmb.ab.ca/UnregisteredProduct/Index_Rejected

Please Note: you may need to delete your internet cache (browser history) to view the new tabs.

If you have any questions, please direct them to Melissa Malin, Registrations Administrator II, at 780-424-3193 x234 or 1-888-424-7671 or by email mmalin@bcmb.ab.ca.
