**RE:** **BCMB Container Fees**

---

Attention Depot Owners and Operators,

Each year the BCMB Board approves the Container Fee to be paid going forward. This Fee is paid jointly by depots and the manufacturer, each contributing 50%. The industry has not seen an increase to the Container Fee since January 1, 2016, when it increased from \$0.0011 to \$0.0013 per container.

At the November 20, 2019 BCMB Board meeting, the Board approved a Container Fee of \$0.0016 per container for 2020, \$0.0008 for each of the depot and the manufacturer. The Container Fee of \$0.0016 shall be effective as of January 1, 2020.

If you have any questions, please direct them to the undersigned.

Thank you,
