RE: **Break-In – Breton Bottle Depot**

Attention all Depot Operators and Staff,

The Beverage Container Management Board (“BCMB”) has been informed of a break-in that occurred at the Breton Bottle Depot. The Depot was broken into **after closing on June 2, 2020**.

Please be advised that **no beverage containers were stolen from the Depot**, only cash. Therefore, there is no risk of the thieves attempting to return stolen beverage containers to another depot. The BCMB wanted to inform all Depots of the occurrence and reinforce the importance of having adequate security measures and proper storage at your depot. Please refrain from keeping cash on your premises overnight if at all possible or keep it in a secure location such as a safe if you have one.

Should you have any questions please contact Mark Emsden at memsden@bcmb.ab.ca.
