RE: **Depot Notification - GP Brewing Containers**

Attention Depot Operators and Staff,

The BCMB was notified recently by Plus I Bottle Depot in Grand Prairie that a customer attempted to return **3 garbage bags full of GP Brewing containers (0-1 PET)**. The customer is a female Caucasian, 5'4 and likely in her mid 30's. She was wearing a grey hoodie with a red winter coat and a toque. The customer had a **White 4 door GMC Sierra, license plate CVG217**.

GP Brewing containers are suspected to be off-spec containers that have never contained a beverage.

Please be aware that these containers may be brought into your Depot in the near future (particularly if you are in the Grand Prairie area). If large quantities of GP Brewing Co containers arrive at your Depot, please submit a Container Validation Request via the Quality Monitoring System (QMS). Please quarantine the containers at your Depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product, they may do so but please make note of the encounter and notify the BCMB.

For more information, please contact a BCMB Compliance Officer immediately by calling/emailing:
