RE: **BCMB Updated Contact Information**

---

**Attention depot operators and staff,**

Please be advised that the BCMB has transitioned to a new phone system, resulting in new contact information for staff. Staff now have individual phone numbers, rather than dialing the main phone line followed by a staff extension. Updated contact information can be found on the BCMB website: <https://www.bcmb.ab.ca/contact/>

Should you have any questions, please contact a Compliance Officer at [compliance@bcmb.ab.ca](mailto:compliance@bcmb.ab.ca)
