**RE:** **Saskatchewan Containers Brought into Bea Fisher Bottle Depot**

---

Attention Depot Operators and Staff,

The BCMB was notified recently by Bea Fisher Enterprises Inc. Bottle Depot in Lloydminster that a customer attempted to return **5250 drink pouches that were purchased in Saskatchewan**. The customer had a **black Ford Ranger** and a **Saskatchewan Roughrider plate located on the front of the vehicle**. **The customer noted he will drive West to the Vegreville area.**

Please be aware that these containers may be brought to your Depot in the near future, particularly if you are in the Lloydminster or Vegreville area. If you suspect that these containers have arrived at your Depot, please submit a Container Validation Request (CVR) via the Quality Monitoring System (QMS). Please quarantine the containers at your Depot and do not provide a refund to the customer or ship the containers to ABCRC until advised by the BCMB. Be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product, they may do so but please make note of the encounter and notify the BCMB.
