RE: **Customer Attempt to Return Potential Out-of-Province Containers**

---

**Attention Depot Operators and Staff,**

On January 4, 2022, two customers entered the Evansburg Bottle Depot attempting to return **1500 crushed containers that appeared to originate from Ontario**. The Depot advised the customers that they cannot accept out-of-province containers.

The customers were described as a **Caucasian female with a Caucasian male, driving a white Chevrolet sedan with Ontario license plate CKVA 326**.

Please be aware that this customer may attempt to return these containers to your depot, especially if you are located near the Evansburg area.

If you suspect that these containers have arrived at your depot, please follow the steps below:

1. Submit a Container Validation Request (CVR) form through the Quality Monitoring System (QMS). The CVR form and a comprehensive CVR Reference Guide can be found on the BCMB website by [clicking here](#). Scroll down to Depot Resources and click on "Forms and Guides".
2. Quarantine the containers at your depot if possible. Do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB.
3. Provide the customer with BCMB's phone number so they know who to contact regarding these containers. Should the customer refuse to complete a CVR or leaves with the material, please ensure that you still notify the BCMB. Provide as much detail as you can and include security images if possible.
