RE: **BCMB Recognizes Alberta Depots for Program Excellence**

The BCMB proudly participated in recognizing excellence in beverage container recycling at the 2023 Annual Industry Conference hosted by the [Alberta Bottle Depot Association](#) in Edmonton.

Board Chair, Andrew Stephens, and President, Blaire Gaalaas presented awards for program excellence on behalf of the BCMB, commending depots in Alberta for their commitment to industry standards. The Board congratulates all winners and nominees for advancing the beverage container recycling industry.

More details on nominees and award winners can be found [here](#), or by visiting the BCMB [website](#).
