RE: **Theft at ABCRC Calgary**

Attention Depot Operators and Staff,

The Beverage Container Management Board (“BCMB”) has been informed of a theft that occurred on October 1st at approximately 9:30am from the ABCRC plant located in Calgary, whereby **an RCS trailer unit 514 containing a load of 44 bags went missing. At approximately 9:30am on October 1st, a tractor with the letters R.H on the drivers’ side is seen leaving the yard with the trailer.** The tractor has been confirmed as not belonging to any of the carriers for ABCRC. No unit number, license plate or individuals were able to be identified. This incident has been reported to the Calgary Police.

The trailer contained an unprocessed load from a Depot, therefor the 44 mega bags would have been sorted and would have contained various material streams.

This notice is to make depots aware that there may be an attempt to return these containers to your depot, particularly if you are located near the Calgary area. Please keep an eye out for individuals bringing in large volumes of containers, especially if they are bringing them in mega bags or if they are bringing in a specific material stream. If you believe you may have encountered anyone attempting to return these containers, please do not provide a refund for these containers, and follow the steps below:

1. Submit a Container Validation Request (CVR) form through the Quality Monitoring System (QMS). The CVR form and a comprehensive CVR Reference Guide can be found on the BCMB website by [clicking here](#). Scroll down to Depot Resources and click on “Forms and Guides”.
2. Quarantine the containers at your depot if possible. Do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB.
3. Provide the customer with BCMB’s phone number so they know who to contact regarding these containers. Should the customer refuse to complete a CVR or leaves with the material, please ensure that you still notify the BCMB. Provide as much detail as you can and include security images if possible. Should you have any questions, please contact a Compliance Officer at compliance@bcmb.ab.ca.
