RE: **Industry Awareness – Stolen ABCRC Spotted Trailer**

Attention Depot Operators and Staff,

The Beverage Container Management Board (“BCMB”) has been informed of a theft that occurred overnight from the St. Albert Bottle Refund Centre. BCMB is sharing the following information to ensure the depot network is aware of a recent incident and remains vigilant.

An ABCRC spotted trailer was stolen overnight from the St. Albert Bottle Depot. The individuals responsible did not secure the trailer properly, resulting in the trailer becoming detached and abandoned in the middle of a roadway.

The trailer has since been recovered by ABCRC. At this time, there does not appear to be significant damage, and the cargo appears to be intact. ABCRC will be verifying the number of bags originally loaded to ensure no material is missing. A police report is being filed.

This notice is being issued for awareness only. Please remain attentive to any unusual activity around trailers or loading areas at your depot.

If any additional information is provided to BCMB that is deemed important for the industry to be aware of, an additional notice may be sent at a later time.
