

NOTICE

TO: Depot Network

DATE: July 21, 2026

RE:

Attention depot operators and staff,

Please be advised that Beverage Container Management Board (BCMB) has approved a new container material stream.

The “Mixed Plastics/Aluminum” 0-1L material stream has been approved with an Interim Handling Commission of \$0.13491 per container. This is a non-refillable container consisting of a Polyethylene Terephthalate (PET) bottom and crimped-on aluminum lid (pictured below).

New registrations for these beverage containers are listed below. These non-refillable PET/aluminum containers carry a refundable deposit and may begin appearing at Alberta bottle depots shortly. Please ensure that your staff are aware of these new containers.

Product Name	UPC	Size	Deposit/Refund	Interim Handling Commission
Buzzballz Cocktail Lime Rita	857641002043	200ml	10¢	\$0.13491
Buzzballz Cocktail Grapes Gone Wild	855200005368	200ml	10¢	\$0.13491
Buzzballz Cocktail Berry Cherry Limeade	850042638743	200ml	10¢	\$0.13491
Buzzballz Cocktail Watermelon Smash	855200005320	200ml	10¢	\$0.13491
Buzzballz Cocktail Strawberry Rita	857641002609	200ml	10¢	\$0.13491

NOTICE (continued)

These containers are to be shipped to Alberta Beverage Container Recycling Corporation (ABCRC) using miscellaneous tags and one-way bags while this material stream is being established. The ABCRC Material Sorting Guide has been updated with this information and can be found on BCMB's [website](#).

If you have any questions, please direct them to the Registrations team at registrations@bcmb.ab.ca.
