

Specialty Containers Sorting Guide

Issued by the Beverage Container Management Board (BCMB)
Updated June 6, 2023

The following information and pictures will assist with the collection, handling and shipping of specialty containers to the approved Collection Service Provider (CSP). Specialty containers are containers that do not fall under the ABCRC Material Sorting Guide or the Refillable Crystal Material Sorting Guide.

This document may be updated to reflect new material streams or sorting practices as agreed to by industry stakeholders.

For more information, please contact the BCMB at 1-888-424-7671 or visit our website at www.bcmb.ab.ca

Shipping Process

Once the Depot has received a container, they will contact CSP by the email provided below to schedule a pick-up or to receive a pre-paid shipping label. The CSP shall arrange with the Depot a mutually agreed upon appointment to collect the Container(s) if within the Greater Edmonton or Greater Calgary Region. The CSP will collect & pack the container(s) and facilitate the shipment to CSP. The CSP will provide the Depot a receipt indicating the quantity and type(s) of containers received.

If a Depot does not have the original packaging, the CSP will supply the shipping packaging.

All requests for pick-up are to be emailed to the emails below:
