

Refillable Crystal Decanter Sorting Guide

Issued by the Beverage Container Management Board (BCMB)
Last Updated: February 28, 2025

The following information and images will assist with the collection and shipping of refillable crystal containers to the approved Collection Service Providers (CSP).

This document may be updated to reflect new material streams or sorting practices as agreed to by industry stakeholders.

For more information, please contact the BCMB at 1-888-424-7671 or visit our website at www.bcmb.ab.ca

CLS Remy Cointreau - Louis XIII

Note: These are refillable crystal decanters and do not go into the one-way glass sorts. This material is a significant contaminant risk if sorted with the glass material streams.

Louis XIII Remy Cointreau

Louis XIII Black Pearl

Louis XIII Rare Cask
