

Refillable Crystal Decanter Sorting Guide

Issued by the Beverage Container Management Board (BCMB)

Last Updated: August 10, 2026

The following information and images will assist with the collection and shipping of refillable crystal containers to the approved Collection Service Providers (CSP).

This document may be updated to reflect new material streams or sorting practices as agreed to by industry stakeholders.

For more information, please contact the BCMB at 1-888-424-7671 or visit our website at www.bcmb.ab.ca
