Hi Brent,

On behalf of ABCRC and ABCC, we do not object to granting the DCA additional time to prepare responses to the IRs. However, we understand the ABDA is going to be proposing a revised timetable for the balance of the proceedings. We propose to review that revised timetable and provide our position at that time.

Yours truly,  
Shauna Finlay

**\* EXTERNAL \***

Good afternoon Shane, Sam and Evan,

I didn't receive a response back from ABCRC/ABCC here yesterday but wanted to let you know that ABDA responded and was okay with the DCA extension request but wasn't supportive of the proposed amended timelines. The ABDA response has been posted to the HCR record and ABDA will circulate proposed amended timelines by Friday, December 5.

Regards,

**Brent Campbell**

**Subject:** DCA IR Response Extension Request

**Importance:** High

Good morning,

We have received the below request from the Data Collection Agent for an extension to respond to the Information Requests.

*Given the volume of information requests and associated level of effort required to respond to them appropriately, the DCA is requesting the following extension for its response:*

- *Provide preliminary responses to all information requests by December 19*
- *Provide finalized responses to all information requests, along with reissued Phase I and Phase II Reports and Schedules by January 9*

The proposed amended schedule is attached for reference. We are asking that all parties please advise by 4:30pm today (December 3, 2025) whether you are agreeable to the request and amended timelines.

Thank you,

**Brent Campbell**
