The screenshot shows a mobile application interface for the BCMB Test Depot. At the top, there is a back arrow and the text "BCMB Test Depot". Below this is a header with a silhouette of various containers and the text "Choose a ticket type". A list of seven categories is displayed in white boxes with blue text: "Supplies", "Transportation", "Payment", "Quality Control", "POR (Point of Return) System", "Refund Compliance", and "Product Registration". A red arrow points to the "Transportation" category.
