Part 2

QMS App User Guide

Adding your depot account(s) to the app

Part 2: Adding your depot(s) to the app - before you begin

Industry Standard Email Address

In order to sign in to the QMS app you must have your login credentials for your **Industry Standard Email Address**.

Need Assistance?

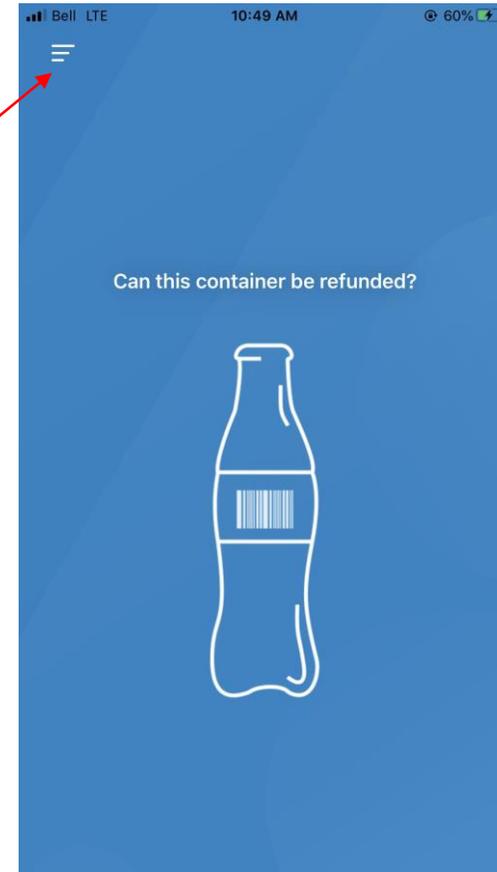

If you require your login credentials, please contact the BCMB at **1 (888) 424 7671**

Part 2: Adding your depot(s) to the app

Finding The Account Menu

Once you have opened the depot app, you will be taken to the following screen. Please click the menu icon  located in the top left-hand side of your screen.

Part 2: Adding your depot(s) to the app

Adding your Account(s)

Your screen will slide to the left and you will see an "Add account" button. Click this button.

Part 2: Adding your depot(s) to the app

Sign in with your depot account(s)

Use your industry standard email address to sign in.

A screenshot of a mobile app sign-in screen. The status bar at the top shows 'Bell LTE', '11:03 AM', and '66%' battery. The app header features a blue background with white silhouettes of various bottles. The main content area has a white background with the text 'Sign in with your depot account'. Below this are two input fields: 'Email address' and 'Password', both with grey placeholder text. A blue 'Sign in' button is at the bottom. A red arrow points from the text on the left to the 'Email address' input field.
